Quick-View™ Transparent Manual Dispenser

PRODUCT DESCRIPTION
A unique, transparent 1-liter closed, sealed cartridge dispenser that meets the distinct needs of any facility environment. The transparent sides, visible from any angle or distance, allow for accurate soap visibility for cleaning staff. Quick-View™ dispensers are quick and easy to refill, easy to service, low maintenance and guaranteed for life.

WHERE TO USE
Suitable for use in any setting with SC Johnson Professional 1 liter manual cartridges.

METHOD OF USE
Large, 'easy-push' buttons dispense a controlled dose of product appropriate for the application required and empty cartridges are easily replaced in seconds.

FEATURES	BENEFITS
Transparent Sides	Addition of transparent sides allow users to clearly see soap levels without having to open the cover, cutting down on maintenance time and costs.
Guaranteed for Life	All SC Johnson Professional dispensers are manufactured from durable plastic components and rigorously tested for high usage environments, providing assurance of quality and long-term cost efficiency.
BioCote® Protected	Dispenser push buttons are protected by BioCote®, a silver-based antimicrobial agent that is incorporated during the manufacturing process and inhibits the growth of a broad spectrum of bacteria and molds; BioCote® does not rub-off and is effective for the lifetime of the dispenser.
Large Push Buttons	Minimize the operation force required to allow easy use by hand or elbow; suitable in hygiene sensitive areas.
Fixed Product Dose	Delivers the exact amount required, controlling usage and reducing waste.
Unique Locking Mechanism	Helps prevent unauthorized access, pilferage and product contamination.
Simple Cartridge Replacement	Designed for exclusive use with SC Johnson Professional skin care system products to enable cartridges to be replaced in seconds, reducing maintenance time and costs.
Hygienic, Airless Cartridges	The ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure 'fresh' product is dispensed every time.
No Wastage	The air-tight cartridges are designed to collapse during use ensuring full evacuation of product with no wastage.

Quick-View™ Transparent Manual Dispenser

LIFETIME GUARANTEE
Malfunctioning or broken dispensers through normal wear and tear while using SC Johnson Professional products will either be repaired or replaced at no charge.
