

Manual Skincare Dispensers

PRODUCT DESCRIPTION

Unique range of 1 liter and 2 liter sealed cartridge dispensers that meet the distinct needs of any office or public facility environment.

WHERE TO USE

For exclusive use with SC Johnson Professional 2L Foam or 1L cartridge products.

METHOD OF USE

Large, 'easy-push' buttons dispense a controlled dose of product appropriate for the application required and empty cartridges are easily replaced in seconds.

FEATURES	BENEFITS
Guaranteed for Life	Dispensers are guaranteed against normal wear and tear, subject to correct installation, usage and dispenser care.
Robust Design	All SC Johnson Professional dispensers are manufactured from durable plastic components and rigorously tested for high usage environments, providing assurance of quality and longevity.
BioCote® Protected* 	Biocote silver ion technology effectively reduces bacteria, mold and fungi on the surface of Biocote® treated SC Johnson Professional® dispenser buttons within as little as 2 hours and achieves up to 99.99% reduction over a 24 hour period**. Biocote® maintains its antimicrobial protection for the lifetime of the dispenser button and will not wear off, wash off or leach out. Biocote® technology is not a substitute for good hand hygiene practices.
Large Push Buttons	Minimize the operation force required to allow easy use by hand or elbow; suitable in hygiene sensitive areas.
Fixed Product Dose	Delivers the exact amount required, controlling usage and reducing waste.
Unique Locking Mechanism	Helps prevent unauthorized access, pilferage and product contamination.
Simple Cartridge Replacement	Designed for exclusive use with SC Johnson Professional skin care system products to enable cartridges to be replaced in seconds, reducing maintenance time and costs.
Hygienic, Airless Cartridges	The ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure 'fresh' product is dispensed every time.
Minimal Waste	The air-tight cartridges are designed to collapse to minimize product waste.
Replacement Parts Available	In case of vandalism or accidental damage, replacements parts can be provided allowing for repairs without taking the dispenser off the wall.

Manual Skincare Dispensers

1 LITER MANUAL DISPENSER

2 LITER MANUAL DISPENSER

Manual Skincare Dispensers

DISPENSER CARE

- DO clean with a damp cloth
- DO NOT use abrasive cleaners
- DO NOT use solvent-based cleaners
- DO NOT use caustic or acid-based cleaners
- DO NOT expose the unit to direct sunlight, UV can damage its high quality finish
- DO NOT expose the unit to extreme temperatures above 104°F or below 40°F

* BioCote® is a registered trademark of Biocote Limited ** Efficacy is independently validated by ISO methods
