

Raid™ Auto Advanced DIY

Raid™ Auto Advanced DIY

Raid Indoor Automatic Advanced Insect Control System with natural pyrethrins. Two time settings available for different insect infestations for continuous protection against flying and crawling insects.

Kills:

Cockroaches, Ants, Mosquitoes, Spiders, Fleas, Moths and Silverfish.

DIRECTIONS

Indoor Usage: Read the instructions thoroughly before installing. Choose a location where the air circulates freely and where insects are likely to be. Air changes, building layout, temperature and humidity may affect unit's efficiency.

1. Turn dispenser off by sliding switch to either off positions.
2. Connect battery to terminal and insert into the battery compartment.
3. Shake can well and then remove protective over-cap from can.
4. Place dispenser on the Raid can. Push down and twist the dispenser slightly until it stops and locks onto the can.
5. Lower the Raid can into the holder and press firmly to attach.
6. Hang product on wall or place on a horizontal surface, preferably 2 metres above floor and at least 30 cm below ceiling. Ensure that unit is in upright position during use to be effective.
7. To activate, point nozzle away from you and switch to on position. The dispenser will activate 10 seconds after switching to the on position. Your Raid Automatic Advanced Insect Control Indoor System now operates automatically releasing a spray every 7 minutes.
8. Replace battery when red light on top of dispenser flashes.
9. To turn unit off, simply switch back to either off position.
10. To remove refill can turn in counter clockwise direction.
11. Wash hands with soap and water after handling or cleaning the unit.

STORAGE AND DISPOSAL

Keep in a cool place out of the sun, and out of the reach of children. Do not puncture or incinerate this can, even when empty. Recycle empty cans if a facility is available or place used can in household rubbish. Quality of performance cannot be guaranteed with refills other than Raid Automatic Advanced.

Precautionary Statement

PRODUCT WARNINGS:

Intentional misuse by deliberately sniffing or inhaling concentrated spray can be harmful or fatal.

PRECAUTIONS

Keep out of reach of children Read all directions before use. Do not allow chemical containers or spray to get into drains, sewers, streams or ponds. Do not spray directly onto people, pets, food, or food preparation areas. Remove or cover food and food utensils. Remove or cover terrariums, aquariums and animal cages before application. Turn off aquarium air filter during use.

SAFETY DIRECTIONS

Repeated exposure may cause allergic disorders. Sensitive workers should use protective clothing. Avoid contact with eyes and skin. Do not inhale spray mist. Wash hands after use.

FIRST AID:

If poisoning occurs, contact a doctor or Poisons Information Centre (Phone Australia 131126; New Zealand 0800 764 766). If in eyes, hold eyes open, flood with water for at least 15 minutes and see a doctor. If sprayed on skin, wash thoroughly. If sprayed in mouth rinse mouth with water.

IMPORTANT INFORMATION

Not to be used for any purpose, or in any manner, contrary to this label unless authorised under appropriate legislation

FLAMMABLE WARNING

Do not store or use near fire or flame - no smoking. Contents under pressure.
