

# KIWI®

The World's No 1 Shoe Polish

## Kiwi Extreme Protector 139g

Kiwi Extreme Protector provides long-lasting water and dirt protection for all shoe types.

Protects leather, suede, nubuck, fabric and textile.

The invisible shield keeps the material breathing, helping your shoes to last longer.

## Use Instructions:

### HOW TO QUICKLY POLISH SHOES

#### STEP 1

Shoes should be clean and dry. Test in an inconspicuous area first

#### STEP 2

Hold can upright 15-20cm away. Spray entire surface area evenly and thoroughly. Allow to dry one hour at room temperature.

#### STEP 3

Repeat application to ensure maximum coverage and protection.

### ALWAYS REMEMBER

Storage: Store in a cool, dry place.

Disposal: Dispose of small quantities and empty containers by wrapping with paper and putting in garbage. For larger quantities, if recycling or reclaiming is not possible, use a commercial waste disposal service.

## Ordering Information

| Product Specifications |                              |               |
|------------------------|------------------------------|---------------|
| Product Code           | Product Description          | Case Quantity |
| 697762                 | Kiwi® Extreme Protector 139g | 6             |

## Integrity is Part of Our DNA

Building on our 130-year history of innovation products and responsible action toward people and the planet, we are pleased to introduce SC Johnson Professional™. Following our guiding principles of integrity, expertise in science and a deep understanding of the cleaning business, we are able to produce cleaning products that provide a positive experience for cleaning professionals

## Precautionary Statement:

Beware: Intentional misuse by deliberately concentrating and inhaling contents may be harmful or fatal.

Keep out of reach of children and pets. Extremely flammable. Do not spray on a naked flame or any incandescent material. Keep away from sources of ignition - no smoking. Pressurised dispenser. Protect from sunlight and do not expose to temperatures exceeding 50°C. Do not pierce or burn, even after use. Do not spray or use on floors as it could leave them slippery.

Keep children and pets off treated areas until dry. Use only in well-ventilated areas. Do not use on patent reptile, metallic leather or vinyl.

Danger: Causes skin irritation and serious eye irritation. After contact with skin, wash immediately with plenty of water. Get medical attention immediately if irritation persists. Remove and wash contaminated clothing before reuse.

If in eyes: Hold eye open and rinse slowly and gently with water for 15-20 minutes. Remove contact lenses, if present, after the first 5 minutes, then continue rinsing.

For advice, contact a Poisons Information Centre (phone Australia 13 11 26; New Zealand 0800 764 766) or a doctor.

FLAMMABLE WARNING  
Flammable Gas.

HAZMAT CLASS
