InstantGEL™

Hand Sanitizer

STATUTORY REGULATIONS

This product is manufactured and labeled in compliance with the Federal Food, Drug and Cosmetic Act issued by the Food and Drug Administration (FDA).

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from SDS library on www.scjp.com

SHELF LIFE

This product should be stored in a closed container at room temperature. Please consult the label for expiry date.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow Current Good Manufacturing Practice (cGMP) and/or Cosmetic GMP requirements.

All raw material used for production undergo a thorough quality control process before being used for manufacturing in our high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

EFFICACY TESTS

Time Kill Study

InstantGel™ exhibits strong activity against a variety of different test microorganisms. The reduction rates were greater than 99.99% after a 15 second exposure period.

SKIN COMPATIBILITY TEST

Clinical dermatological tests have been conducted to assess the skin compatibility of the product using voluntary test persons in enclosed and repeat application models. These tests, as well as in practical use, have proven the product to be non-irritating in use.
