

## CLEANING AND SKIN CARE PRODUCTS FOR HOSPITALITY

SC JOHNSON PROFESSIONAL OFFERS A COMPLETE LINEUP OF CLEANING AND SKIN CARE PRODUCTS THAT HELP HOUSEKEEPING STAFF DO MORE WITH LESS...

Innovations like our revolutionary TruShot 2.0™ mobile dispensing system that boosts efficiency by reducing cart prep and cleanup. The patented trigger sprayer fills at any water source keeping guest attendants moving and reducing trips to the janitor's closet to re-supply. One trigger sprayer can be used with multiple chemistry cartridges for better efficiency. This system features portable, spill-free cartridges that provide optimized dilution delivery with no mixing or measuring. The 10 oz. cartridges deliver from 13 to 43 in-use quart equivalents depending upon the cartridge, reducing the footprint required for storage and transport of an equivalent quantity of ready-to-use product.

TruShot 2.0™ Multi-Surface, Restroom Cleaner & Disinfectant and TruShot 2.0™ Hospital Cleaner & Disinfectant are on the EPA's List N: Kills SARS-CoV-2 (2019 Novel Coronavirus).
