Refer to label for complete use instructions.

SAFETY PRACTICES TO FOLLOW

It's good business practice to ensure that your employees have read and understood the product labels and Safety Data Sheet before using this product. The label use directions and SDS contain important hazard warnings, precautionary statements and first aid procedures.

This information is available on-line at www.scjp.com or by calling 800-248-7190.

Wear personal protective equipment, chemical-resistant gloves and chemical splash goggles, when dispensing concentrates. Improper mixing or diluting of concentrate may damage surfaces and may result in physical harm to the user.

Use only as directed.
Always read label and product information before use. Use biocides safely.
