RAID® ESSENTIALS FLY, GNAT & MOSQUITO KILLER 28

Raid® Essentials Fly, Gnat & Mosquito Killer 28 uses a proprietary blend of essential oils designed only to attack insects. The spray works by immobilizing flying insects, breaking down their protective barrier and diffusing into the insects. The formula in this pest killer spray contains lemongrass oil and geraniol from pine trees. It kills flies (such as houseflies, bottle flies, drain flies, fruit flies), gnats, mosquitoes, moths, wasps and hornets in one easy spray. This Raid® flying insect spray is part of a complete line of products to target specific insects inside and outside. Use as directed.

RAID® ESSENTIALS FRUIT FLY TRAP

Raid® Essentials Fruit Fly Trap is a fruit fly killer that is easy to use, starts attacking immediately, lasts for up to 21 days.* Contains no added fragrances, dyes, parabens or sulfates. The trap catches up to 100% of fruit flies (on day one of use). To use, simply shake well before opening, place near the source of fruit flies, twist off the lid and remove the cap. The discreet fruit fly trap can be placed on countertops or tables.

*When used as directed

RAID® ESSENTIALS MULTI-INSECT KILLER 29

With Raid® Essentials Multi-Insect Killer 29, we've harnessed the power of essential oils. This fast†-acting ant killer, cockroach killer, bug killer and stinkbug killer also deals with other crawling and flying insects, including house flies, mosquitos and spiders. Use as directed.

KILLS: †Ants and house flies on contact
