SC Johnson Professional® Product Brands

PROTECT

Pre-work skin protection creams help defend the skin against contact with various workplace contaminants, irritants and working conditions. Pre-work creams help form a protective layer on the skin to prevent the penetration of contaminants into the skin and to make skin easier to clean.

UNIVERSAL APPLICATION

Stokoderm® Protect

Water & Oil-Based Substances

CREAM

General Skin Protection Cream
Oil | Grease | Lubricants | Detergents

- General purpose perfume-free skin defense cream to help defend the skin against light to moderate exposure to water and non-water based workplace contaminants
- Perfume-free
- Food industry compatible

Where to use:

Suitable for most workplaces to defend against light to moderate exposure to oil-based and water-based substances (such as oil, grease, lubricants and detergents) where gloves may be in use

CODE	CASE QTY	SIZE
UPW100ML	12	100ml Tube
UPW1L	6	1L Cartridge
PR01LDS	15	1L Dispenser

SPECIALIST APPLICATION

Travabon® Classic

Oil-Based Substances

CREAM

Specialist Skin Protection Cream
Oil | Grease | Carbon Black | Graphite

- Specialist pre-work cream to defend the skin against heavy levels of oil based and adherent substances
- Contains a Special Soil-Suspending Emulsifier to make skin easier to clean
- Contains high mineral content for added protection against heavy contamination

Where to use:

Work places where hands and arms are in contact with water-insoluble substances such as solvents, metal-working oils and mechanical soiling; where it is not practical or feasible to wear gloves

CODE	CASE QTY	SIZE
TVC100ML	12	100ml Tube

Stokoderm® Aqua PURE

Water Based Substances

CREAM

Specialist Skin Protection Cream
Water | Detergents | disinfectants | Fertilizers

- Provides excellent skin defense against water-based substances combined with a moisturizing action to help soothe the skin
- Contains Bisabolol, an Ingredient of Camomile, which is a skin conditioning agent which can help support the stimulation of the skin's regeneration process and natural barrier function
- Food industry compatible

Where to use:

Specialist wet-work cream to defend against prolonged or frequent contact with water or water-based substances. Perfume-free and dye-free

CODE	CASE QTY	SIZE
SAQ100ML	12	100ml Tube

SPECIALIST APPLICATION

Stokoderm® Sunscreen PURE

UV Protection

CREAM

Broad Spectrum SPF 30 Sunscreen
UVA | UVB | SPF30

- Sun Protection Factor of 30 provides 30 times the skin's normal protection against the sun's UVB rays
- Perfume-free and dye-free
- Water resistant, non-greasy formula with vitamin E

Where to use:

Outdoor workers exposed to UVA & UVB sun rays. Also suitable for use by outdoor electricians wearing electrical insulating gloves.

SC Johnson Professional® Dispensing Systems

Our unique range of 1 litre, 2 litre and 4 litre closed, sealed cartridge dispensers meet the distinct needs of any workplace.

The ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure 'fresh' product is dispensed every time.

Sealed Systems	The ultrasonically sealed cartridge and pump mechanisms prevent the ingress of air into the cartridge during use to help prevent product contamination and ensure 'fresh' product is dispensed every time.
Fixed Product Dose	Our dispensers deliver the exact amount required, controlling both usage and cost, as well as reducing waste.
Usage Illustrations	Our workplace dispensers have trilingual descriptions and simple-to-understand diagrams to show the best method of use; ideal for multinational workforces.
Color-Coding	Color-coding cartridges and dispensers help users and maintenance staff easily identify the type of product.
Minimal Wastage	The air-tight cartridges are designed to collapse to minimise product waste.
Security	The dispensers' unique locking mechanism helps prevent unauthorized access and product contamination.
Saves Time	The color-coding ensures that correct cartridges are used in the dispensers. Cartridges can be replaced in seconds, reducing maintenance time and costs.

Warranty
TF Ultra & CTF Ultra dispensers are warranted for five years. Proline Manual dispensers are warranted for their lifetime. Warranty applies only in Canada and to dispensers solely using SCJ Professional products. Registration required. Other terms and conditions apply: warranty.scjp.com.

ECOLOGO™
certifications are voluntary, multi-attribute, life cycle based environmental certifications that indicate a product has undergone scientific testing, auditing, or both, to confirm its compliance with such standard. ECOLOGO Standard sets criteria for product formulation and manufacturing, and human health & environment toxicity. For more information and to view the specific standard, visit UL.com/EL.

USDA BioPreferred
The USDA BioPreferred Program certifies that products meet national standards for the amount of content derived from renewable biological resources, or biobased content. Products have been tested and certified by the USDA.

Green Seal™ Certified
This product meets Green Seal™ Standards GS-41A based on effective performance and protective limits on VOCs and human & environmental toxicity. Greenseal.org

NSF Certified
The NSF Certification Mark assures that a product complies with all standard requirements set forth by the NSF to guarantee product quality, compliance and safety.

Support

For any organization, the implementation of skin care practices that are collectively followed and universally understood is an ongoing challenge.

Therefore, to help with this process, we have created a unique education and audit support program available to all customers of the our skin care range.

Ongoing Site Education & Awareness

To help maintain improved skin care standards, we provide a number of communication tools to support ongoing education and awareness.

Audit / Conducting 'Pre & Post' Audit

Audits help establish and maintain the effectiveness of our skin care program and ensure you are completely satisfied with the newly installed products.

About SC Johnson Professional®

SC Johnson Professional® is part of SC Johnson, a family company and one of the world's leading manufacturers of household cleaning products and products for home storage, air care, pest control and shoe care, as well as professional products. The company has a long history in the professional market, in which it started operating in the 1930's.

SC Johnson Professional® provides expert skin care, cleaning & hygiene solutions for industrial, institutional and healthcare users. This incorporates the Deb range of specialist occupational skin care products along with well-known SC Johnson brands.

The SC Johnson Professional® purpose is to bring innovative, quality products and services to professional markets with outstanding performance that respect the environment, create efficiencies, reduce inventories, simplify training and provide a positive user experience. This is built on a deep understanding of customer needs and a vision for 'rethinking the professional experience' with the user in mind.
