

Stokolan® Light *PURE*

Enriched Skin Conditioning Cream

PRODUCT DESCRIPTION

Light texture skin conditioning cream to help care for normal to dry skin. Perfume-free and dye-free.

WHERE TO USE

For use in industrial and healthcare environments, especially where employees are prone to dry or stressed skin.

INSTRUCTIONS FOR USE

- Apply 1mL to clean and dry skin prior to extended breaks and at the end of the working day
- Rub on all areas of the hands, including between the fingers and around the fingernails
- Can also be used on the face

After-work skin care creams help to maintain the skin in good condition keeping it strong and healthy, avoiding dryness. Using care creams is an important element in skin care best practice.

Application - Normal to dry skin

FORMAT: CREAM

FEATURES	BENEFITS
Non-Greasy, Light Formula	Designed for normal to dry skin to absorb and leave no greasy after-feel, encouraging regular use and maintaining healthy skin condition.
Contains Shea Butter	An emollient to help condition the skin.
Contains Allantoin	Supports the moisturization effect and helps condition the skin.
Contains Glycerin	A skin moisturizer to help prevent drying and leave the skin feeling smooth after use.
Perfume-Free and Dye-Free	Designed for people who are sensitive to perfumes and dyes and who prefer products which do not have these added.
ECARF Certified¹	This product meets the European Centre for Allergy Research Foundation (ECARF) criteria for skin tolerability. www.ecarf-siegel.org/en/about-seal
Suitable For Food Facilities	Product has been independently evaluated and trace amounts of the product are not expected to cause any adverse toxicological effects. Food handlers should use product only in accordance with label instructions and product should not come directly into contact with food or items that contain food.
Proven Glove Compatibility	Suitable for use with latex, vinyl and nitrile gloves.
Silicone-Free	The product will have no adverse effect if in contact with surfaces prior to the application of paint or surface coatings.
Compatible With Rubber Production Processes	Independently tested at the German Institute of Rubber Technology (DIK) and proven to have no negative effect on the vulcanization process.
USDA BioPreferred Certified²	This product is USDA Certified Biobased and contains 73% USDA certified biobased content. For more information, visit www.biopreferred.gov
Skin Hypoallergenic	Dermatologist tested to verify and confirm this product has very low allergenic potential and is designed for sensitive skin.
Compatible with alcohol-based hand sanitizers	Can be used in hygiene sensitive areas where hand sanitizing procedures are necessary

Stokolan® Light *PURE*

Enriched Skin Conditioning Cream

STATUTORY REGULATIONS

This product is regulated by and compliant with the Cosmetic Regulations in the Canadian Food and Drug Act of Health Canada. SC Johnson Professional products are produced and tested to ensure they meet the quality requirements for registration and/or approval by Health Canada.

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from SDS library on www.scjp.com

SHELF LIFE

This product has a shelf life of at least 30 months from the date of manufacture when stored unopened at room temperature.

CERTIFICATIONS

ECARF Seal of Quality

This product meets the European Centre for Allergy Research Foundation (ECARF) criteria for skin tolerability. Cosmetics can receive the seal of quality for meeting the following criteria:

1. Quantitative risk assessment of the product ingredients with respect to their potential for sensitization, taking into account their specified conditions of use & amount.
2. Medically supervised clinical trials by volunteers with atopic dermatitis.
3. Approved system of quality control management.

USDA BioPreferred Certified

This product is USDA Certified Biobased and contains 73% USDA certified biobased content. The USDA BioPreferred Program® is a voluntary initiative to provide assurance that product contains a certified amount of biobased ingredients are third-party tested and verified and monitored by the USDA. The USDA Certified Biobased Product label is a certification mark of the U.S. Department of Agriculture. For more information, visit www.biopreferred.gov

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow Current Good Manufacturing Practice (cGMP) and/or Cosmetic GMP requirements.

All raw materials used for production undergo a thorough quality control process before being used for manufacturing in SC Johnson Professional's high quality products.

All finished goods are subject to intensive quality testing before being shipped out to our customers.

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Independent dermatological tests conducted to assess the skin compatibility of the product using voluntary test persons in occlusive, 48 consecutive hour application models, shows the product to be non-irritating in use.

Toxicological Approval

The product has been assessed by an independent toxicologist and has been declared to be safe for use on the hands, face and neck of adults aged 16 and above.

Skin Hypoallergenic Risk Assessment

The formulation has been assessed by an independent toxicologist to be formulated in such a way as to provide either minimal or no risk of provoking allergic skin response and thus meets the requirements for being described as 'Hypoallergenic' (Delphic Solutions Ltd, UK).

SUITABLE FOR USE IN FOOD HANDLING AREAS

Stokolan® Light *PURE* as per usage instructions, does not influence the quality and safety of foodstuffs.

The product has been assessed using the HACCP hazard analysis methodology. The following critical control points were identified and are controlled as follows -

1. Impact on smell and taste of foodstuffs - The formulation has been independently tested according to 'Sensory Analysis - Methodology - Triangle Test EN ISO 4120:2007' and proven to not have the potential to taint food.
2. Possible toxic effects of ingredients - An independent oral toxicological evaluation was performed and concluded that any foodstuffs which may contain trace amounts of the product, are unlikely to cause any adverse toxicological effects.

COMPATIBILITY TESTS

Glove Compatibility

In independent testing, the use of Stokolan® Light *PURE* combination with reputable latex, vinyl and nitrile gloves does not have any deleterious effect on the glove tensile properties using BS EN 455-2:2009 test methodology.

Rubber Production Process Compatibility

In testing conducted by the Deutsches Institut für Kautschuktechnologie (DIK) in accordance with EN ISO/IEC 17025, the use of Stokolan® Light *PURE* in rubber production process does not influence the cohesive strength of rubber.

EFFICACY

Sanitizer Compatibility Test

The compatibility of Stokolan Light *PURE* with alcohol-based hand sanitizers was tested using a modified EN13727 test protocol. Results show that Stokolan Light *PURE* does not negatively affect the efficacy of alcohol based hand sanitisers against *Ps aeruginosa*, *E coli*, *S aureus* and *E hirae*.
