SC Johnson Professional surface care solutions help building service contractors:

- ✓ Have flexibility between concentrate or ready-to-use products
- ✓ Choose from a wide selection of products to clean a variety of spaces
- ✓ Reduce SKU inventory for surface cleaners

READY-TO-USE

## WHEN TO CHOOSE

- Small to medium-sized facilities that consume less chemistry
- Facilities that require less frequent cleaning

Small Offices • Boutique Retail Locations  
Doctor's Offices

## WHY TO CHOOSE

- Easy to use grab-and-go products
- Well-known, trusted brands
- Variety of applications

Windex® products mean so much more than glass. Our Windex® cleaners achieve a streak-free shine on stainless steel, chrome, tile, plastic and more.

Pledge® improves the appearance of most hard surfaces by removing dust and fingerprints and providing a protective, glossy coating without leaving a waxy buildup. Leaves a beautiful shine and refreshing scent.

Got grease? No problem! Our line of fantastik® and fantastik® MAX products cut through tough grease. Whether you want to disinfect, dissolve grime and dirt, or clean your oven & grill - fantastik® has you covered.

# FLOOR CARE

## WHEN TO CHOOSE

- Facilities looking to reduce the number of steps in their floor maintenance program
- Locations where it is difficult to close spaces to complete strip outs
- Facilities experiencing labor constraints due to reduced staffing

Retail Stores • Airports • Hospitals • K-12 Schools

## WHY TO CHOOSE

- **Revolutionary system saves time and labor versus conventional stripping**
- Helps achieve a durable, high-gloss shine with no more than 4 coats
- Eliminates the manual procedure of conventional floor stripping
- Helps save time and labor costs by using the floor coating remover in an auto scrubber

### EZ CARE Floor Coating

- Extremely tough, highly repairable coating does not require a conventional floor stripper to be removed.
- Goes on smoothly and evenly with any application method.
- Gloss levels are retained with or without the need of multi-speed burnishing.

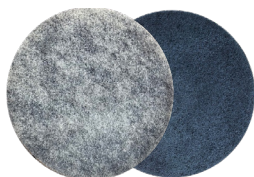

COATING

### The EZ CARE Floor Coating Remover

- Liquifies EZ Care Floor Coating for fast removal of up to four coats in one pass
- Streamlines the floor care workflow process
- Increases productivity by reducing time and labor needed for full removal and recoat

REMOVER

### High Speed Conditioning and Polish Pad:

- Proprietary construction smooths and conditions floors prior to coating
- Amplifies the appearance of the finish, reducing the number of coats needed
- Achieves an acceptable level of shine while saving time and labor costs

### Heavy-Duty Scrub Pad:

- Effectively removes scuffs, scratches, and black heel marks - reducing burnishing and maintaining the floor's high gloss appearance.
- Works well with the SC Johnson Professional Heavy-duty Neutral pH Floor & Surface Cleaner.

FLOOR CARE PADS

SC Johnson Professional floor care systems help building service contractors:

- ✓ Complete floor maintenance with minimal facility disruption
- ✓ Control chemical and labor costs

Designed to:

- ✓ Integrate seamlessly into existing workflows
- ✓ Work on a variety of flooring substrates

# MULTI-SURFACE FLOOR CARE SYSTEM

## WHEN TO CHOOSE

- Facilities that have multiple substrates
- No automated equipment available, such as auto scrubbers
- Locations where a periodic conventional strip out is preferred
- Facilities that have down-time where closure to do a full-strip out is achievable

**Small Offices • Retail Locations  
Doctor's Offices • Universities**

## WHY TO CHOOSE

- High performance, low odor stripper for fast, efficient removal of most water-based polymer floor finishes
- Extremely tough, highly repairable floor finish
- Gloss level is quickly restored with multi-speed buffing
- Patented low foaming, low residue neutral cleaner
- No new equipment required

### Multi-Surface Floor Finish Plus Sealer

- FlexiFilm™ Technology is extremely tough and highly repairable
- Resistance to scuffs, black heel marks, and dirt embedment
- User-friendly and easy to apply

FINISH

### Hyper Concentrate Floor Stripper

- Fast acting, high performance concentrate for efficient removal of most water-based polymer floor finishes
- No floor rinse required
- May be diluted 1:8 to 1:24 to match stripping performance to task

STRIPPER

### Patented Heavy Duty Neutral pH Floor and Surface Cleaner:

- Specially formulated for daily cleaning and deep scrubbing
- Can be diluted from 1:32 to 1:512 for multiple applications
- Use on a variety of substrates

CLEANER

# SKIN CARE
