# SBS® 40

## Moisturizing Cream

### STATUTORY REGULATIONS

This product is regulated by and compliant with the Cosmetic Regulations under Canada's Food and Drugs Act. This product is produced and tested to ensure it meets the quality requirements for cosmetics.

### SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from SDS library on [www.scjp.com](http://www.scjp.com)

### SHELF LIFE

This product has a shelf life of 36 months from the date of manufacture when stored unopened at room temperature.

### QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow appropriate quality assurance practices, including with respect to quality control processes for raw materials and finished goods, and comply with any regulatory requirements applicable to the manufacturing of such products.

### COMPATIBILITY TESTS

#### Glove Compatibility

In testing, the use of SBS® 40 in combination with reputable latex, vinyl and nitrile gloves does not have any deleterious effect on the glove tensile properties using EN 455-2:2009 test methodology.

### PRODUCT SAFETY ASSURANCE

#### Skin Compatibility Test

Independent dermatological tests conducted to assess the skin compatibility of the product using voluntary test persons in occlusive, 48 consecutive hour application models, shows the product to be nonirritating in use.

#### Product Safety Assessment

The product has been assessed by an independent toxicologist and is declared safe for intended use on the hands and face by age groups of 3 years and above when used as directed.
