FEATURES	BENEFITS
Perfume-Free and Dye-Free	Designed for people who are sensitive to perfumes and dyes and who prefer products which do not have these added.
ECOLOGO™ Certified ¹	This product is certified to meet ECOLOGO UL 2845 Standard based on criteria for product formulation and manufacturing, and human health & environment toxicity. UL.com/EL
Ideal For High Frequency Use	Clinical testing shows that repeated daily use does not affect the healthy condition of the skin barrier function.
Mild Preservative	Specially formulated with one of the mildest preservatives to reduce the risk of skin irritation from using this product.
Contains Glycerin	A skin moisturizer to help prevent drying and leave the skin feeling smooth after use.
Formulated With a Low pH Value (4.0-5.0)	Formulated with a low pH value to help minimize disruption from product use to the skin's acid mantle, a natural layer which acts to help support the natural bacteria balance.
Skin Hypoallergenic	Dermatologist tested to verify and confirm this product has very low allergenic potential and is designed for sensitive skin.
USDA BioPreferred Certified ³	This product is USDA Certified Biobased and contains 77% USDA certified biobased content. For more information, visit www.biopreferred.gov
Green Seal™ Certified ⁴	This product meets Green Seal™ Standard GS-41A based on effective performance and protective limits on VOCs and human & environmental toxicity. GreenSeal.org

STATUTORY REGULATIONS

This product is regulated by and compliant with the Cosmetic Regulations under Canada's Food and Drugs Act. This product is produced and tested to ensure it meets the quality requirements for cosmetics.

SAFETY DATA SHEETS

For Safety, Environmental, Handling, First Aid and Disposal information, please refer to the Safety Data Sheet which can be downloaded from SDS library on www.scjp.com

SHELF LIFE

This product has a shelf life of 30 months from the date of manufacture when stored unopened at room temperature.

CERTIFICATIONS

ECOLOGO™ Certified

This product is certified to meet ECOLOGO UL 2845 Standard for Sustainability for Personal Care Products. ECOLOGO certifications are voluntary, multiattribute, life cycle based environmental certifications that indicate a product has undergone scientific testing, auditing, or both, to confirm its compliance with such standard. ECOLOGO UL 2845 Standard sets criteria for product formulation and manufacturing, and human health & environment toxicity. For more information and to view the specific standard, visit UL.com/EL

USDA BioPreferred Certified

This product is USDA Certified Biobased and contains 77% USDA certified biobased content. The USDA BioPreferred Program® is a voluntary initiative to provide assurance that product contains a certified amount of biobased ingredients that are third-party tested and verified and monitored by the USDA. The USDA Certified Biobased Product label is a certification mark of the U.S. Department of Agriculture. For more information, visit www.BioPreferred.gov

Green Seal™ Certified

This product meets Green Seal™ Standard GS-41A for Hand Cleaners for Institutional Use. The Green Seal certification represents compliance with criteria designed to achieve leadership levels in sustainability by meeting requirements for product performance, human & environmental toxicity, and product packaging and labeling. For more information and to view the specific standard, visit GreenSeal.org

PRODUCT SAFETY ASSURANCE

Skin Compatibility Test

Independent dermatological tests conducted to assess the skin compatibility of the product using voluntary test persons in semi occlusive, 48 consecutive hour application models, shows the product to be non-irritating in use.

Product Safety Assessment

The product has been assessed by an independent toxicologist and is declared safe for intended use on the hands and whole body by all age groups when used as directed.

Skin Hypoallergenic Risk Assessment

The formulation has been assessed by an independent toxicologist to be formulated in such a way as to provide either minimal or no risk of provoking an allergic skin response and thus meets the requirements for being described as 'Hypoallergenic' (Delphic Solutions Ltd, UK).

EFFICACY TESTS

Skin Hypoallergenic

The perfume -free and dye-free formulation did not demonstrate a potential for eliciting dermal sensitization after conducting an independent 6 week Human Repeat Insult Patch Test (HRIPT).

Allergy sufferers should always refer to the ingredient list before using the product.

QUALITY ASSURANCE

SC Johnson Professional products are manufactured in facilities which follow appropriate quality assurance practices, including with respect to quality control processes for raw materials and finished goods, and comply with any regulatory requirements applicable to the manufacturing of such products.
