

A GREAT CHOICE FOR FACILITIES THAT CARE ABOUT SUSTAINABILITY

TOGETHER WE CAN HELP STOP PLASTIC WASTE
FROM REACHING LANDFILLS AND OCEANS

SCJ Professional PROLINE WAVE™ Recovered Coastal Plastic Dispenser

Our SCJ Professional PROLINE WAVE™ Recovered Coastal Plastic Dispenser is made with **70% Recovered Coastal Plastic** sourced from a global partnership between SC Johnson and Plastic Bank®.

Recovered Coastal Plastic is post-consumer recycled plastic collected on land within 31 miles of an ocean so that it does not reach oceans or landfills in countries with high volumes of uncollected plastic waste, in partnership with Plastic Bank®.

Use Together with the Full SCJ Professional Range of High Quality Foam Soaps

Effective and pleasant to use, SCJ Professional soaps use **30% less** product and up to **45% less** water when washing and rinsing compared with traditional lotion soaps.¹

Stock Code	Description	Case Qty

¹ SC Johnson Professional Sponsored Study: Media4Change Ltd. How a Single Change in a Washroom can significantly reduce water consumption and associated costs, 2011.

A great choice for facilities that care about sustainability, the **SCJ Professional PROLINE WAVE™ Recovered Coastal Plastic Dispenser** has many other benefits:

- BioCote® silver-ion based protected push button¹
- Guaranteed for life²
- Lockable for security
- Large, easy to use button
- Easily replace cartridges in seconds
- No batteries required
- Non-drip, non-clog pump
- Hygienically sealed cartridges
- Easy to clean surface
- Pairs with our line of Refresh™ foam soaps

Plastic Bank® is an organization that establishes plastic collection centers in vulnerable coastal areas to empower those communities to stop plastic waste before it enters the ocean or landfill.

¹BioCote® is a registered trademark of BioCote® Ltd. BioCote® technology effectively reduces bacteria, mould and fungi on the surface of the BioCote® treated dispenser push-button within as little as 2 hours and achieves up to 99.99% reduction over a 24 hour period (efficacy independently validated by ISO methods). BioCote® technology maintains its antimicrobial protection for the lifetime of the dispenser button and will not wear off, wash off or leach out; it is not a substitute for good hand hygiene practices.

²This dispenser is warranted for its lifetime. Warranty applies only in the USA and to dispensers exclusively using SC Johnson Professional products. Other terms and conditions apply: warranty.scjp.com.
