CONSTRUCTION

(Commercial, Residential, Utilities,

Automotive & Equipment Maintenance)

Skin Care, Floor and Hard Surface Solution Guide

The SC Johnson Professional® purpose is to bring innovative, quality products and services to professional markets with outstanding performance that create efficiencies, reduce inventories, simplify training and provide a positive user experience

WASHROOM

HEAVY DUTY

PUBLIC SPACES

Use only as directed. Use biocides safely. Always read label and product information before use.

PRE-WORK &
MOISTURIZING CREAMS

CREATE THE RIGHT ENVIRONMENT TO ENCOURAGE YOUR WORKERS TO GIVE THEIR BEST

Our products are formulated to meet the specific requirements of the construction industry, helping workers who face harsh conditions, like working outdoors; which significantly increases the risk of sun exposure related skin cancer.

However, simply providing effective high-quality products isn't enough. Thanks to over 80 years of experience in professional skin care, we know that construction workers are more inclined to use these products when they experience benefits immediately.

We focus not just on maintaining good skin health but also on quality of life at work. How products feel and smell, how easy and convenient they are to use, as well as how they perform, will all naturally encourage your employees to adhere to hygiene and safety protocols.

Our initial site survey will ensure that the right products are located in the right place to optimize use, will increase compliance, maintaining good skin condition.

PRODUCTS

The SC Johnson Professional range offers specialized cleaning options from light to heavy requirements, hand disinfection for hygiene sensitive environments as well as restoration with world renowned skin care creams.

PROTECT

Skin defense creams that are applied before working to reduce contact with contaminants and make cleaning quicker and easier.

CLEANSE

An extensive range of hand and hand, hair & body cleaners to match the type of contamination encountered.

SANITIZE

High efficacy hand sanitizers that can be used without water to reduce the risk of spreading germs when used as directed.

RESTORE

Dedicated skin hydration creams for application after working to moisturize, nourish or condition work stressed skin.

Travabon®
Skin defense cream for oil-based and adherent contaminants

Stokoderm®
Skin defense creams for water-based contaminants, multiple contaminant type or specific work environments

Refresh™
Washroom foam soaps and shower products

Antimicrobial
Washroom antibacterial foam soap under the Refresh™ brand, and AgroBac™ ideal for food-industry

Estesol®
Light duty hand, hair and body cleaners

Solopol®
Solvent-free heavy duty hand cleaners

Kresto®
Solvent-based heavy, super heavy and specialist hand cleaners and wipes

InstantFOAM™ Complete ^{PURE}
Alcohol based foam hand sanitizer for use without water

InstantFOAM™ Non-Alcohol ^{PURE}
Dye and fragrance free, non-alcohol based foam hand sanitizer for use without water

Stokolan®
After-work skin moisturizing and conditioning cream

SBS 40®
After-work skin conditioning cream

PRODUCT ATTRIBUTES

BioCote® silver ion technology effectively reduces bacteria, mould and fungi on the surface of BioCote® treated SC Johnson Professional® dispenser buttons within as little as 2 hours and achieves up to 99.99% reduction over a 24 our period. BioCote® maintains its antimicrobial protection for the lifetime of the dispenser button and will not wear off, wash off or leach out. BioCote® technology is not a substitute for good hand hygiene practices.

Proline, TF Ultra and CTF Ultra dispensers are warranted for their lifetime. Warranty applies only in the USA and to dispensers exclusively using SC Johnson Professional products. Other terms and conditions apply: warranty.scjp.com.
