

SC JOHNSON PROFESSIONAL® **THE EZ CARE FLOOR CARE SYSTEM**

**REVOLUTIONARY SYSTEM SAVES TIME AND LABOR
COST vs. CONVENTIONAL STRIPPING**

SIMPLY INSTALL - MAINTAIN - REMOVE

EZ Care is an integrated floor care system suitable for a variety of substrates that allows you to achieve a durable, high-gloss finish with no more than 4 coats and eliminates the manual procedure of conventional stripping.

For the first time ever, SC Johnson Professional introduces a patent-pending polymer-blend floor coating that can be easily removed using the EZ CARE Floor Coating Remover and an auto scrubber. Once the system is installed, you never need to use conventional stripping chemicals to achieve a lustrous, high-gloss shine.

SKU	DESCRIPTION	CASE PACK	IN USE GALLONS PER CARTRIDGE
300599	2-Gallon (256 FL OZ) 7.57L Bag in Box	1	Ready-To-Use
300827	5-Gallon (640 FL OZ) 18.97L Bag in Box	1	Ready-To-Use

EZ CARE SAVES TIME AND MONEY BY NOT HAVING TO CONVENTIONALLY STRIP THE FLOOR

SIMPLY INSTALL - MAINTAIN - REMOVE

Beginning with a bare floor, the EZ Care system requires no more than four coats of EZ Care Floor Coating to achieve a durable, high-gloss shine on a variety of substrates. When it's time to refinish the floor, up to four coats of floor coating can be completely removed in one pass with an auto scrubber returning the floor to bare. Stripping with conventional stripping chemicals is never required once the system is installed.

EZ CARE FLOOR COATING REMOVER
Can be applied and removed with auto scrubber

HIGH SPEED CONDITIONING & POLISH PAD, FLOOR COATING
Polish pad requires UHS machine

HEAVY DUTY SCRUBBING PAD & HEAVY DUTY NEUTRAL FLOOR CLEANER

EZ Care Floor Coating

Highly repairable finish provides excellent resistance to scuffs, black heel marks and embedded dirt.

- Suitable for a variety of substrates.
- Maximum of 4 coats needed to achieve a durable high gloss appearance even in high traffic areas.
- Goes on smoothly and evenly with any application method.
- Easy removal of up to four coats.
- Light pleasant scent.

EZ Care Floor Coating Remover

Groundbreaking cleaner technology compatible with an auto scrubber.

- Liquify EZ Care Floor Coating for safe, fast removal of up to four coats in one pass.
- Eliminates conventional manual stripping.
- Increases productivity, slashing the time and labor needed for a full removal and recoat.
- Streamlines the floorcare workflow, reduces crew size, and simplifies training vs. conventional floor stripping.

EZ Care High Speed Polish and Conditioning Pad

Patent pending pad technology prepares the floor for application of finish resulting in a high gloss shine.

- Smooths and conditions the floor prior to finish application.
- Contributes to a durable high-gloss shine with fewer coats.
- Improves the condition and appearance of the floor over time.
- Available in two common sizes - (20" and 27").

EZ Care Heavy Duty Scrubbing Pad

Effectively removes scuffs, scratches and black heel marks - reducing burnishing and maintaining the floor's high gloss appearance.

- DUAL-PURPOSE PAD cleans and shines in the same step. Red side easily adheres to equipment; Gray side for more abrasive cleaning of coated surfaces.
- Long-lasting performance - up to 250,000 sq.-ft.
- Available in three common sizes - (13", 16", 17" and 20").

SAY GOODBYE TO CONVENTIONAL STRIPPING

Contact your SC Johnson Professional sales representative and discover the EZ way to achieve a durable, high-gloss finish and eliminate the conventional stripping process.

PATENTED HEAVY-DUTY NEUTRAL pH FLOOR AND SURFACE CLEANER EZ CARE HEAVY-DUTY SCRUB PAD

Effectively remove scuffs, scratches, and black heel marks, helping to reduce the need to burnish while maintaining the floor's high gloss appearance.
SPECIALLY MADE FOR DAILY CLEANING AND DEEP SCRUBBING

RECOMMENDED SURFACES

Vinyl Composite Tile, Vinyl asphalt, Sheet Vinyl, Luxury Vinyl, Rubber, Linoleum, Vinyl Asbestos, Terrazzo, Concrete, Honed Granite & Marble, Polished Granite & Marble, Natural Stone, Slate, Quarry Tile, Ceramic, Coated Wood

EZ CARE HEAVY DUTY SCRUB PAD

Designed for everyday maintenance of coated and non-coated floors, the specially designed abrasive technology extends the usable life of the cleaning pad while yielding consistent high gloss.

BENEFITS

2 in 1 daily cleaning pad for low speed scrubbing machines

- ◆ DUAL-PURPOSE PAD cleans and shines in the same step. Red side easily adheres to equipment; Gray side for more abrasive cleaning of coated surfaces.
- ◆ Saves money by not having to strip the floor as frequently.
- ◆ Proprietary coating can be safely used on a variety of substrates eliminating guesswork and reducing the number of pads you need to inventory.
- ◆ Long-lasting performance - up to 250,000 sq. ft.

HEAVY DUTY NEUTRAL pH FLOOR & SURFACE CLEANER

A patented low foaming, low residue cleaning concentrate. Specially formulated for daily maintenance of surfaces as well as high traffic floors and deep scrub/recoat applications.

BENEFITS

- ◆ Patented low foaming formula leaves no residue on the floor, provides excellent gloss retention and helps maintain the floor's high level appearance with reduced maintenance frequency.
- ◆ Saves money by eliminating the need for multiple floor cleaning products due to its powerful formula and wide range of cleaning abilities.
- ◆ Super concentrated formula works with a variety of application methods such as auto scrubber, mop and bucket and trigger sprayers.
- ◆ Can be diluted at 1:512 for daily floor cleaning, 1:128 for heavily soiled floors and 1:32 for degreasing.
- ◆ EcoLogo® certified.*

*This product is certified to meet ECOLOGO® UL 2759 Standard for Hard Surface Cleaners. ECOLOGO® certifications are voluntary, multi-attribute, life cycle based environmental certifications that indicate a product has undergone scientific testing, auditing, or both, to confirm its compliance with such standard. ECOLOGO® UL 2759 standard sets criteria for product formulation and manufacturing, and human health & environment toxicity. For more information and to view the specific standard, visit UL.com/EL.

THE EASY TO USE TruFill® DISPENSING SYSTEM

Take dilution dispensing off the wall with the TruFill® Dispensing System. TruFill® offers easy-to-use, quick-change cartridges that automatically blend concentrates with water to provide worry-free dilution. The rugged design easily attaches to buckets and auto scrubbers for simplified dilution mixing into these high-volume vessels. Using our high-quality SC Johnson Professional® floor care chemistries, this patented system simplifies dilution dispensing and replaces wall-mounted or other concentrate dispensing systems.

TRAIN CLEANING CREWS IN MINUTES

- ◆ Automatically blends concentrates with water to provide worry-free dilution delivery
- ◆ Pre-labeled cartridges help comply with OSHA requirements
- ◆ TruFill® Hose hook-up kit makes installation easy

REUSABLE HEAD DESIGN

- ◆ No moving parts to break or repair

QUICK-CHANGE
Lock cartridge into reusable TruFill® dispenser head

QUICK CONNECT
Attach quick-connect hose to TruFill® dispenser head

FILL & GO
Hang on bucket or auto scrubber; turn on water source
